

PUBLIC TRANSPORTATION AGREEMENT CITY
HALL/COURTHOUSE SQUARE EMPLOYEES

As a regular **City Hall/Court House Square** employee who receives a parking subsidy, I elect to purchase available public transportation passes through the City's Parc-It Program. As designated on the attached fare schedule. I elect that a fare in the amount of \$_____ be purchased on my behalf. If this amount is below the \$70.00 parking subsidy, I will receive the remaining \$ _____ in my paycheck. I will pay for any amount, which exceeds \$70.00. I also understand that this commitment is for a minimum of one calendar quarter and it will automatically renew in full quarter increments unless I choose to change my commitment, in writing, by the fifteenth of the month prior to the quarter ending.

I acknowledge that purchase of transportation passes through the Parc-It Program is a benefit and I hereby certify that such benefit will be used exclusively for my regular daily direct commute from home to work and return. I will not give, barter, exchange, convey or otherwise transfer this benefit to any other person. The monthly benefit that I receive will not exceed my average monthly commuting cost to and from work by public transportation.

I understand and agree that false certification may result in disciplinary action up to and including dismissal from employment.
